Reform Agenda Snapshot (up to June '26) Bosnia&Herzegovina

Funding potential:
€96M*

Key Findings:

No access to RGF funding

Facility and Loan Agreements not yet in force

€976.6 million remains inaccessible

No pre-financing disbursed or regular payment requests submitted

RGF governance structures not established

National coordinator, Monitoring Committee and reporting systems missing

Limited transparency and stakeholder participation

Restricted access to reform documentation and consultation processes

€373.9 million at risk of permanent loss

Funds linked to overdue December 2025 reform commitments

Key Recommendations:

Urgently establish the RGF framework

Bring agreements into force and operationalise governance structures

Protect €373.9 million in at-risk funding

Prepare an urgent action plan for overdue reform commitments

Introduce country-wide monitoring and reporting

Ensure coordinated implementation, common indicators and deadlines

Improve transparency and CSO participation

Publish reform documents and enable meaningful stakeholder involvement

*for more details check out our reform monitor updates

* The total semester funding potential represents the expected disbursements for reforms due in June 2026
